*To the Head of the program,*

It is my pleasure to strongly recommend Charles BLETHON for your finance program in your institution.

I am Audrey CHEREF, the Head of the Financial Department at BBA Inseec France and a former CFO. I have 10 years of experience working in the financial sphere and 5 years as a professor. I have seen many young professionals and students come and go but Charles is one individual I have worked with who uniquely stands out.

During our time together, he displayed great talents in class. When we first met, I was immediately impressed with the will to learn, and during the time shared in class, he always showed rigour and dedication.

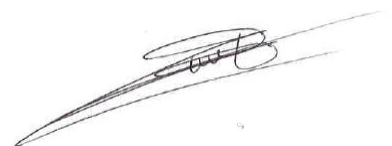

Charles was a joy to work with because of his amazingly positive attitude but also his involvement. His can-do attitude and team-building skills were also necessary and valued not just by me, but by his classmates, who often relied on him to get the job done. He is always interested in anything new and permanently tried to improve himself and learn new ways and techniques.

I am absolutely confident that Charles would be a great fit for your program. Not only will he bring the kind of skills and experiences you are looking for in an applicant, but he will also quickly become an asset and help his future classmates grow in any way he can.

If you need more information or specific examples, please do not hesitate to contact me by email. As a recommendation letter likely only provides a snapshot of talents and achievements, I would be happy to further elaborate on my time working with him as a student.

Sincerely,

Audrey CHEREF
