To whom it may concern,

I am writing this letter in support of Charles Blethon, who I had the pleasure of getting to know as an exchange student in my **The Economics of Sport** course at Camosun College.

Charles presented an excellent economic analysis of the Ligue 1 French football league as his course capstone project. His presentation provided a detailed exposition of the league's history, sources of club revenue and club costs, financing of club stadiums, league distribution of revenue, and the link between club payroll and on field success.

Charles' dedication to the course was evident as his capstone project earned a grade that was in the 80th percentile.

If there is anything else you would like me to discuss regarding Charles, please contact me at [agbaym@camosun.ca](mailto:agbaym@camosun.ca).

Sincerely,

A handwritten signature in black ink, appearing to be 'MA', with a long horizontal line extending to the right.
